BOX PATENT APPLICATION

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

**STATEMENT OF NO NEW MATTER
AND MARKED UP COPY OF SPECIFICATION**

The present application is a continuation of U.S. Patent Application number 08/903,762, which is a continuation of U.S. Patent Application number 08/842,197, which is a continuation of U.S. Patent Application number 08/452,020. The present invention uses the specification from Patent Application serial number 08/452,020, but in a modified form. Applicant modified the specification from Patent Application serial number 08/452,020 in order to correct grammatical problems, provide correct reference characters, update the information on related applications and claim different features of the invention. No new matter was entered.

As a courtesy, Applicant submits a marked up copy of the present specification showing the above changes to Patent Application serial number 08/452,020 as exhibit "A".
